WINTER 2018-2019

NEWS FOR THE DULUTH EAST HIGH SCHOOL COMMUNITY

## FIRST LEGACY WALL COMPLETED

# LEGACY PROJECT MOVING FORWARD

One of the goals of the Duluth East High Foundation is to remember the past and provide for the future education of the students at East High. We believe that by honoring the rich history and the legacy of East High School we can inspire students to achieve their full potential as members of our community.

A big link to the rich history of East High was lost moving into the new building. We wish to connect the new building to the old building and link all East students, past, present and future with our long history and traditions. Thus was born The Legacy Project.

Four large empty walls remain in the

commons/cafeteria in the new building.

It is our intent to fill these walls with murals depicting the history of East from the early fifties through today. The art will include all aspects of student life including music, sports, academics, drama, art, awards, and yearbook covers from each decade.

## ALUMNI ARTIST CORTES

The Duluth East High Foundation is pleased that renowned local artist Tim Cortes has accepted our commission to create five original murals depicting the history of East High School.

Mr. Cortes is an alumni of East High, graduating in 1984. Tim's work is known nationally and is displayed at Target Field, the Smithsonian Institution, and U.S. Bank Stadium home of the Minnesota Vikings.

We are excited about the value and prestige Mr. Cortes brings to the Legacy Project for East High School.

### “Remembering the Past - 1970-1979”

The first of seven decades of East history went up last September for its unveiling at the 2018 Hall of Fame dinner. We hope these images will inspire a sense of unity and a feeling of home in the lives of future students at East. Litho prints, autographed by Artist Tim Cortes, are available for a contribution to the Foundation. Contact us at the address below for more information.

Four of the five panels are seen in the East Commons area where the history of East will be prominently displayed through the artwork of Tim Cortes..

## OUR GOAL IS \$50,000 and YOUR HELP IS NEEDED

The estimated cost for each wall is approximately \$10,000. This includes the original commissioned art, reproduction costs, and installation charges. We are asking for your help and encourage you to consider making a gift to help us complete The Legacy Project.

Please make your check payable to:
